

S. Rinpoche: "UN can't help Tibet"

08 August 2005

(Star of Mysore) While addressing a press conference at a seminar on world peace in Mysore, Prof Samdhong Rinpoche, Prime Minister of Tibetan Government in Exile, remarked: *"I do not believe that the United Nations Organisation (UNO) can help solve the Tibetan problem in any way. It is an undemocratic institution, which is unable to implement its own resolutions. Hence, it is useless to approach UN".*
