

Chinese authorities close discussion forum

19 December 2007

(RWB) The popular Tibetan blog www.tibet123.com has been made inaccessible since 06 December 2007, according to Reporters Without Borders (RWB), because the Chinese authorities think its content harms China's image. The site has 6,200 registered members, and it had become one of the most dynamic forums in Tibetan cyberspace.
